**MOTION FOR LEAVE TO FILE SUPPLEMENT TO  
REQUEST FOR REVIEW OF DECISION OF UNIVERSAL SERVICE ADMINISTRATOR**

Bresnan Communications Company ("Bresnan"), by its attorneys, hereby seeks leave to file a Supplement to its Request for Review of Decision of Universal Service Administrator filed on June 24, 1999, regarding a decision issued on May 25, 1999 by the Schools and Libraries Division of the Universal Service Administrative Company ("USAC").

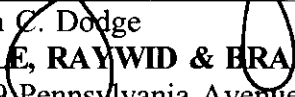

Subsequent to filing the Request for Review, Bresnan received an Appeal Funding Commitment Decision Letter from USAC, dated July 13, 1999, in which USAC recognized Bresnan as a telecommunications service provider eligible to participate in the Schools and Libraries program and approved funding for telecommunications services provided by Bresnan to a school district in Michigan (the "USAC Letter"). A copy of the USAC Letter is attached hereto as Attachment A.

In the interests of facilitating the Commission's review by ensuring that it has a full record before it, Bresnan seeks leave to submit the USAC Letter in support of its earlier Request for Review.

Respectfully submitted,

**BRESNAN COMMUNICATIONS COMPANY**

## Special - Funding Year 1998 Appeal Funding Commitment Decisions Letter

The E-rate applicant cited in the attached synopses appealed one or more decisions made by the Schools and Libraries Division on funding requests for the 1998-99 program year and received an Administrator's Decision on Appeal granting or partially granting the appeal. This letter is the official Funding Commitment Decisions Letter providing the precise dollar value and other details of the additional funding commitment(s) for which your SPIN is listed.

As you will see, the attached list of funding synopses contains the same kinds of information included in your original Funding Commitment Decisions Letter. Depending on the nature of the appeal, the synopses attached to this letter may have been updated to reflect the new total amount of discount for existing Funding Request Numbers and replace those in your original Funding Commitment Decisions Letter. Applicants should use these updated synopses for existing Funding Request Numbers (FRNs) that were modified during the appeal process and/or the synopses for new FRNs established as a result of their appeal when completing their Form 486 and the Billed Entity Applicant Reimbursement Form.

We have urged the applicant to contact you to make any necessary arrangements regarding delivery of service and provision of discounts. In addition, applicants have been advised to:

- File Form 486 immediately for any service that is already being delivered, and within five (5) business days of the start of new service;
- Submit a Billed Entity Applicant Reimbursement (BEAR) Form, unless you and your service provider have already worked out a mutually agreeable alternative;
- Take advantage of the special Year 1 grace period, if the service for which you are now receiving a funding commitment is a one-time, non-recurring service (such as installation of an internal connections project), to use this commitment through September 30, 1999. The applicant will need to work with you to extend the contract termination date, if necessary, to encompass the grace period, and will also need to reflect that new date on a Form 486.

Applicants are reminded that if a Funding Request Number has a contract termination date of before December 31, 1998, and it is for a recurring telecommunications or Internet access service, they may be entitled to six additional months of funding (in addition to what is shown in this funding commitment letter). We will be in contact with you under separate cover regarding this extension.

If you have any questions about this special Funding Commitment Decision Letter, please call 888-203-8100, and ask for The Technical Client Service Bureau.

As always, we thank you for all you do to help assure that your customers with E-rate approvals can take full advantage of the Universal Service Program.
